

Would you like to be considered for selection to play for the County Team next season?

D.C.S.M.B.A. currently run two teams (Premier and 'A') and each team consists of 20 players. Games are played against other Counties during the winter season and may involve several journeys to the Midlands if either team qualifies. If you feel you would like to have a chance to be considered to play please fill in your details below and pass to either team managers (Richard Ivings or Robert Ivings) or to any Committee member.
